POLICY STATEMENT  

*Michigan Department of Corrections*

The purpose of this directive is to establish policy and procedures regarding the purchase of footwear from an approved outside vendor.

1. Each inmate requesting to make an outside purchase must have adequate funds available in his/her personal account at the time of the request. Credit and layaway purchases are not allowed.

2. Orders which can not be filled will be automatically refunded. (If you wish any alternates, they must appear on your order form.)

3. All purchases must be approved by the appropriate personnel. Request for purchases shall be initiated by the inmate only and reviewed by a designated facility official, who will approve or disapprove of the request. Final approval is made upon inspection when the item is received.

4. Footwear over six inches in total height (measured from the inside from the top of the heel to the highest point) or footwear with heels over two inches in height. New purchases shall not contain shanks, air pumps, pockets, flashing lights, or gel. The CFA Deputy Director may impose additional restriction on footwear for reasons of custody or security. With prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of footwear over six inches in total height or which is in excess of $75.00 if necessary due to the need of a unique size.
